

Services Open to All

China Business Opportunities (Free)

CBBC posts regular business opportunities on-line from Chinese companies looking for British partners, goods and services across a full range of sectors.

Market Research, Introductions and Events (Chargeable)

Through the Overseas Market Introduction Service (OMIS), CBBC's China team can:

- **Identify local contacts** – agents, distributors, suppliers and potential partners
- **Arrange events and meetings** – including 1-2-1 meeting programmes, workshops, seminars and product launches
- **Conduct market research** – including sector and regulatory overviews, and market analysis

CBBC Member Only/Member Discounted Services

Launchpad®

A flexible, fast, cost-effective and low risk means for you to explore the opportunities across China working from CBBC offices. CBBC will employ a 'project manager' dedicated to helping you take your business forward in China

CBBC Hot Desk

CBBC Hot Desk is an instant, flexible, cost-effective and low risk means of using CBBC's extensive China office network to explore business potential in new locations

CBBC Employment Selection Services

Helping you plan for and identify key management staff for your business in China. Includes both a selection and advisory service
